

# GU10 5W LED SMD

[www.homewatt.co.uk](http://www.homewatt.co.uk)

<p>Retrofit in place of halogen GU10s. Fits all standard GU10 lampholders &amp; luminaires. All internal domestic &amp; commercial applications. May be used externally or in damp environments when housed within a suitable approved light fitting.</p>		
	<b>Warm white</b>	<b>Daylight white</b>
Colour temperature - nominal	3000K	6400K
Colour temperature - range	2700K – 3500K	6000K – 10000K
Product code / SKU	GU105W24SMD30K	GU105W24SMD64K
		
Lumens (light output)	326lm	330lm
Producer	<b>homewatt</b>	
Luminous efficacy	~80lm/W	
Rated Life	25000hrs	
IP protection	Indoor	
LED chip manufacturer	Epistar	
Case	Chromed alloy	
Socket	GU10	
Power consumption	4W	
Voltage nominal	230V	
Voltage - range	160V – 253V	
Beam angle	120°	
Lens	N/A	
Diameter	50mm	
Length including connector	55mm	
Dimmable	No
